

# POSTERS

1. **Dalibor Ballian**, Mirzeta Memišević Hodžić, Velid Halilović:

Research of morphologic features of silver fir in Bosnia and Herzegovina provenance test

2. **Dalibor Ballian**, Marjana Westergren, Gregor Bozic, Marko Bajc, Domen Finzgar, Barbara Fussi, Monika Konnert, Darius Kavaliauskas, Phil Aravanopoulos, Paraskevi Alizoti, Ermioni S. Malliarou, Nikos Tourvas, Fotis Kiourtsis, Andrej Breznikar, Boris Rantaša, Hojka Kraigher

Implementation of a concept of Forest genetic monitoring on a transect from Germany to Greece

3. **Mateusz Będkowski**, Marcin Czacharowski, Patrycja Kazik, Julita Opanowska, Katarzyna Piekarczyk, Emil Urbańczyk, Kamil Bielak

Effects of row and group planting methods on the growth performance of silver fir (*Abies alba* Mill.) in the Bieszczady Mountains (S-E Poland)

4. Velid Halilović, Jusuf Musić, Jelena Knežević, Mario Šarić, **Dalibor Ballian**

Research of mechanical damages on fir trees during exploitation – case forestry “Glamoč”

5. **Piotr Chachuła**, Andrzej Szczepkowski, Piotr Mleczko

*Abies alba* as a host and substrate for wood-inhabiting macrofungi in the Pieniny National Park (Polish Western Carpathians)

6. **Tsutom Hiura**, Sato Go, Hayato Iijima

Long-term forest dynamics in response to climate change in a northern mixed forest, Japan: A 38-year individual-based approach

7. **Jan Holik**

Density dependent browsing of fir and beech seedlings

8. **Srđan Keren**, Thomas A. Nagel, Pavel Janda, Miroslav Svoboda

Local behavior of structural- and species diversity indices in the Perućica old-growth forest, Bosnia-Herzegovina

9. Hyunhee Kim, Kazuharu Mizuno, **Dabin Kim**, Wooseok Kong

The biogeographical implications of *Abies koreana* in the Korean Peninsula

10. Raphael Th. Klumpp, **Peter M. Moravec**, Konstantin Widtmann

The Austrian Silver Fir Provenance Experiment “Hartberg 2016”: analysis of provenance performance after extreme drought in summer 2018

11. **Alena Konôpková**, Eva Pšidová, Daniel Kurjak, Dušan Gömöry, Jaroslav Kmeť, Ľubica Ditmarová

Variability in photosynthetic response to natural combined heat and drought stress in silver fir provenances

12. **Andrea Doris Kupferschmid**

Selective browsing behaviour of ungulates influences the growth of *Abies alba* differently depending on forest type

13. **Zbigniew Maciejewski**, Ewa Maciejewska

Long-term spontaneous dynamics of silver fir (*Abies alba* Mill.) in the primeval and formerly managed forests of the Roztoczański National Park

14. **Stanisław Małek**, Michał Jasik, Marek Kroczek

Survival and growth of undergrowth plantations of fir in spruce stands threatened with decomposition in the Beskid Śląski and Beskid Żywiecki Mts

15. **Aleh Marozau**, Uladzimir Kotsan, Adam Kaliszuk

Reintroduction of European silver fir in the Białowieża Forest

16. **Takuo Nagaike**, Hayato Iijima, Chiaki Otsu, Yoshiko Kobayashi, Kazuaki Takahashi

Debarking by sika deer simplified tree species diversity, rather stand structure, in an *Abies* – broadleaved forest in central Japan

17. **Valeriu-Norocel Nicolescu**, Andrea Benedek, Andreea-Ştefania Niţă, Adina-Elena Nicola, Adrian-Florin Benedek-Bloju, Daniel-Augustin Costache, Cornelia Hernea

Eurasian brown bear (*Ursus arctos arctos*) damages on Silver fir (*Abies alba* Mill.) trees: A case-study

18. **Jiří Novák**, Dušan Kacálek, David Dušek, Jakub Černý

## Approaches for supporting silver fir in managed forests in the Czech Republic

19. **Olga Orman**, Dorota Dobrowolska, Jerzy Szwagrzyk

Gap regeneration in the Carpathian *Fagus-Abies-Picea* montane forests

20. **Toshiaki Owari**, Koji Okamura, Ryuji Takuma, Noriyuki Kimura, Satoshi Fukuoka

Pinpoint planting in logging gaps with *Abies sachalinensis* seedlings after single-tree selection harvest in northern Japan

21. **Maciej Pach**

Modeling of a basal area growth of silver fir in mixed mountain stands with beech and spruce

22. **Rafał Podlaski**

Tree-ring patterns in old-growth *Abies alba* Mill. forests: do trends in growth affect the degree of decline?

23. Vilém Podrůzský, Martin Fulí<sup>2</sup>, Zdeněk Vacek, **Jan Cukor**, Rostislav Linda

Potential of the Grand fir (*Abies grandis* [D. Don] Lindl.) in the forestry of the Czech Republic

24. **Paweł Przybylski**, Jan Matras, Marcin Klisz, Szymon Jastrzębowski, Vasyl Mohotych

The breeding value of individual trees of the silver fir species (*Abies alba* Mill.) under changing environmental conditions of south-eastern Poland

25. Junji Sano

Vegetation change caused by climate change in the Eastern Mediterranean Region of Turkey

26. Jerzy Skrzyszewski, **Maciej Pach**

Which factors determine the basal area growth in mature silver fir (*Abies alba* Mill.) stands?

27. **Rafał Starzak**, Przemysław Sypka

The influence of biomass density in fir stands on the penetration of solar radiation and the formation of conditions for evaporation from the forest floor

28. Janusz Szewczyk, **Michał Adamus**

Disturbance history of old-growth mixed beech-fir-spruce forests in Western Carpathians

29. **Ondřej Špulák**

Reaction of fir and spruce needles to the opening of birch stand canopy in two-phase forest regeneration

30. **Vasilije Trifković**

Silver fir increases the diversity of forest stand structure: experiences from Slovenia

31. **Damir Ugarković**, Ivica Tikvić, Katarina Burić

Microclimate in uneven-aged forest ecosystems in Gorski Kotar Croatia with different vitality of silver fir (*Abies alba* Mill.) trees

32. **Zdeněk Vacek**, Stanislav Vacek, Vilém Podrázský, Rostislav Linda, Jan Cukor, Daniel Bulušek

Effect of species composition and stand structure on soil conditions in mixed forests: silver fir (*Abies alba* Mill.) vs. Norway spruce (*Picea abies* [L.] Karst.)

33. Marcin Zarek, **Marta Kempf**

Mitochondrial and chloroplast DNA haplotypes distribution patterns of Polish Carpathian silver fir

34. **Marcin Zarek**, Marta Kempf

The genetic variation in the *Abies alba* Mill. population in the Carpathians - impact of the two refugial lineages

35. **Marijana Žunić**, Krunoslav Teslak, Mislav Vedriš, Ernest Goršić, Karlo Beljan, Stjepan Posavec, Mario Božić, Tomislav Levanič, Andrej Bončina, Jura Čavlović

Influence of forest management and climate on Silver fir trees and stand growth dynamics in Croatian Dinarides – review of the research project in progress
